

Sir/Ma'am

The 67th Canadian Police Curling Championship is a week-long event that will be held April 6-13, 2024 in Whitby Ontario. This will be the ninth time since the Championship began in 1956 that the event will be hosted in Ontario. The competition mirrors the Tim Horton's Brier and Scotties Tournament of Hearts in that police officers from across the country compete in their provincial championships to qualify for one of twelve spots to represent their province in the national championships.

Recent changes to the Championships allow for peace officers to participate, which include Wildlife, Border Services, Federal Fisheries, and Corrections Canada in addition to police officers. The Canadian Police Curling Championship has been held in consecutive years since 1956 (with the exception of the pandemic years) and is the 3rd oldest national curling championship in Canada!

As the Canadian Police Curling Association (CPCA) is non-profit, we have to raise funds through sponsorship to fund the event. And equally important, each host committee is able to make a substantial donation to our charity of choice: Tourette Canada. Tourette syndrome is a neurological disorder characterized by tics: involuntary, rapid, sudden movements or vocalizations that occur repeatedly in the same way. Money raised through sponsorship and the championship itself will help TC provide the many services they offer to those who are afflicted by the condition across the nation. Over the years the CPCA, along with each provincial association, has raised over \$400 000 toward the TC and other charities.

Please review the attached sponsorship package and let us know if you have interest in becoming a sponsor for this prestigious event and worthy charity. Your attention and support would be truly appreciated.

We encourage you to visit the Canadian Police Curling Association website at [www.canadianpolicecurlingchampionship.com](http://www.canadianpolicecurlingchampionship.com) . Information on Tourette Canada can be found at [www.tourette.ca](http://www.tourette.ca)
